

## **Innovation Academy High School Supply List**

### **General Class Supplies**

Please buy six (6) of each to cover all classes

- 1 inch 3-ring binder (Plastic flexible covers tend to work best)
- Tab Dividers
- 1 single subject spiral notebook per class for notes

Please buy one (1) of each for your classes

- 1 Gigabyte flash drive
- Pencils and Pens
- Highlighter(s)
- Hand held pencil sharpener
- 2-3 erasers

### **Class Specific Supplies**

#### **Math and Science**

- Scientific Calculator: Texas Instruments model TI-30 is the best option
- Ruler with centimeters and inches
- Graph paper notebook- Staples Quadrille 4 x 4 Spiral notebook; Item #716522
- Colored Pencils

#### **English and History**

- Small or medium sized post-it notes (these will be used to actively read books)
- Composition notebook (1 for each class)

#### **Art**

- Sketchbook- (suggested is Canson Esquisse Sketch Pad- Wirebound. This can be purchased at any drug store or at <http://www.dickblick.com/>)
- Folder

## Spanish

*For "written conversations":*

- A small journal or notebook for writing letters in Spanish, or regular access to e-mail (students can choose whether to handwrite or e-mail their letters)

Recommended items for Spanish:

- A pair of headphones for listening assessments (standard 1/8")
- 
- A Spanish-English dictionary. For most 9th and 10th graders, I recommend the Oxford Beginner's Spanish-English Dictionary (ISBN: 978-0199298563). This is not a very complete dictionary, but it is far more user-friendly than most Spanish-English dictionaries and will help students come up with reasonable translations more of the time. Students with regular internet access can also use online resources. You can see the three online resources I recommend bookmarking at the following webpage ([http://iacs.digication.com/spanish\\_9/diccionarios](http://iacs.digication.com/spanish_9/diccionarios)).
